Section 2 Unless otherwise indicated, the term "employee", when used hereinafter in this Agreement, shall refer specifically to those employees identified in the negotiating unit defined above, and references to male employees shall include female employees.

ARTICLE III

The parties agree to enter into collective negotiations over an Agreement in accordance with Chapter 303 Public Laws 1968 in a good faith effort to reach agreement on the terms and conditions of employees' employment. GRIEVANCE PROCEDURE

A. Definition

A "Grievance" shall mean a complaint by any person covered by this

Agreement or the Association as to its rights in this Agreement of the Belmar Public School System that there has been to him a personal loss, injury or inconvenience because of a violation, misinterpretation or inequitable application of an established policy, agreement, or administrative decisions governing the employee except that the term "Grievance" shall not apply to any matter for which a method of review is prescribed either by law or any rule or regulation of the State Commissioner of Education. A grievance to be considered under this procedure must be initiated by the employee within thirty (30) calendar days of the time he should reasonably be expected to be aware of its occurrence.

- B. 1. (a) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
- (b) It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
- 2. Any employee who has a grievance shall discuss it first with the head custodian in an attempt to resolve the matter informally at that level.
- 3. If as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five (5) school days he shall set forth his grievance in writing to his superior specifying:
 - (a) the nature of the grievance.
 - (b) the nature and extent of the injury, loss or inconvenience.
 - (c) the results of previous discussions.

(d) his dissatisfaction with decisions previously rendered.

(e) the relief which is sought.

The principal shall communicate his decision to the employee in writing within three (3) school days of receipt of the written grievance.

4. The employee, no later than five (5) school days after receipt of the superior's decision, may appeal the superior's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the matter submitted to the superior as specified above and his dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten (10) school days. The Superintendent shall communicate his decision in writing to the employee and his superior.
5. If the grievance is not resolved to the employee's satisfaction, he may request a review by the Board of Education no later than five (5) school days after receipt of the Superintendent's decision. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, hold a hearing with the employee and render a decision in writing within thirty (30) calendar days of receipt of the grievance by the Board or of the date of the hearing with the employee, whichever comes later.
6. If the decision of the Board does not resolve the grievance to the satisfaction of the employee and the Association wishes review by a third party, they shall so notify the Board through the Superintendent within ten (10) school days of receipt of the Board's decision.

7. The following procedure will be used to secure the services of an arbitrator:

- (a) A joint request will be made to the American Arbitration Association to submit a roster of persons qualified to function as an arbitrator in the dispute in question.
- (b) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request the American Arbitration Association to submit a second roster of names.
- (c) If the parties are unable to determine, within ten (10) school days of the initial request for arbitration, a mutually satisfactory arbitrator from the second submitted list, the American Arbitration Association may be requested by either party to designate an arbitrator.

C. Rights of Employees to Representation

- 1. Any aggrieved person may be represented at all stages of the grievance procedure by himself, or, at his option, by a representative selected or approved by the Association.
- 2. When an employee is not represented by the Association in the time of submission of the grievance to the Board of Education at the fifth (5th) step of the grievance procedure, the Association will be notified that the grievance is in process, have the right to be present and present its position in writing at all hearing sessions held concerning the grievance and shall receive a copy of all decisions rendered.
- 3. The Board and the Association shall assure the individual freedom from restraint, interference, coercion, discrimination or reprisal in presenting his appeal with respect to his personal grievances.

D. Costs

- 1. Each party will bear the total cost incurred by themselves.

2. The fees and expenses of the arbitrator are the only costs which will be shared by the Board and the Association and such costs will be shared equally.

E. Miscellaneous

1. Forms for filing grievances shall be prepared by the Superintendent. The Association shall submit its recommendations with respect to the format.
2. All meetings and hearings under this procedure shall be conducted in private, except as may be required by law, and shall include all parties in interest, and their designated or selected representatives.
